Thank You Teachers!

You made book choice and ownership possible for your students

Happy May!

Book Trust ordering has closed for the year.

As a reminder, May is not a Book Trust ordering month. Book Trust will not support orders submitted after April 30.

If you have questions, please do not hesitate to reach out to us at support@booktrust.org.

A few notes:

- Payment for orders submitted in April will be credited by Scholastic by May 15.
- Please review your Scholastic account balance at clubs.scholastic.com.
- If there is a balance due beyond the balance of your order submitted in April that you believe Book Trust is responsible for, please contact support@booktrust.org for assistance.

Thank You Teachers!

Our heartfelt thanks for all of your hard work this year. Because of you, Book Trust will have delivered over 700,000 books into the hands of nearly 60,000 students. Thank you for ensuring that every child discovers the joy and power of reading to cultivate a lifelong love of learning. We hope you enjoy your much deserved summer break!

Summer Resource

To help keep your students engaged with reading over the summer, we put together a Summer Reading Kit. The packet is full of activities that students can pick and choose from.

*Book Trust increases book access for students to promote engaged reading. For more than 20 years, the national nonprofit has partnered with schools and districts across the US to create sustainable classroom routines that foster opportunities for student book choice and ownership, and support teachers as they facilitate joyful reading experiences. We offer schools developmentally and culturally relevant print book options for Pre-K through Grade 5 students at a fraction of the cost to schools—and at no cost to students or their families—through a collaboration with the world's largest publisher and distributor of children's books. **Learn more at booktrust.org***
